

An Executive Seminar

Workplace Violence Preparedness

Baltimore / Washington, D.C. Region • Spring 2027

Vireon Group is convening senior HR, legal, insurance, and program leaders for a day of practical, executive-level workplace violence preparedness — from spotting risk early to responding with confidence under pressure.

Executive-Level Perspectives

Guest speakers from senior HR executives, legal counsel, and a featured speaker on current workplace violence trends.

Senior HR Executives

Building policy and culture that holds up under pressure

Legal Counsel

Navigating liability, duty of care, and post-incident response

Insurance & Risk

Underwriting exposure and the economics of preparedness

Program Professionals

Translating strategy into daily operational practice

Current Trends

A featured look at where workplace violence risk is heading next

FORMAT

Full-day executive session

AUDIENCE

Senior HR, legal, security & risk leaders

REGION

Baltimore / Washington, D.C.
